KAL Knit Chickens, part 5

- Now it's time to give your chicken a face and some feathers.

CROWN

Using dpns and the color indicated for your chicken size, cast-on 9 sts, leaving about a 6" tail. You'll use this tail for sewing the crown to the head. Follow directions in pattern; make 3 crowns. Stuff with fiberfill and sew the crowns to the head; pull the end into the chicken.

WATTLE

This is made in one piece. Follow pattern directions for right and left side of wattle. Sew wattle top to the line of color change on the front of the head using the cast-on tail. Pull end into the chicken.
